Dear Parents/Guardians,

I am happy to introduce a program designed to make online school a little easier for you and your family!

On Monday, 1/11/2021, Ahfachkee students will begin using a login tool named Clever. This tool is used by 60% of the schools across the country and has a proven track record of simplifying the login process.

By entering a single username and password, your child will now be able to access their online textbooks and programs they use in their classes each day.

Teachers have been reviewing the login procedures with students this week to help prepare them for this transition. Attached are the step-by-step procedures your child will need to login to their Clever account along with support contacts to get assistance if needed.

Thank you for the opportunity to partner with you to help your child more easily access their learning applications.

Sincerely,

Dorothy Cain
