

Ahfachkee School Character Education Monthly Newsletter

November 2023

Greetings Parents and Guardians:

It is time again for our monthly Character Education Program Student of the Month. Each month this school year through May 2024, all of our teachers will be identifying only one of their students who has best demonstrated the trait for that month. These students will be recognized with a certificate from Mr. Baer, our Principal, and receive a bag of “school swag” for their accomplishment.

Citizenship is the character trait for the month of November. All of us live together in a society in which each has various rights and responsibilities. Often we can focus on our “rights” while neglecting our responsibilities. These responsibilities include being concerned not with what we can get but rather with what we can give to help others. Citizenship Defined: (1) Being involved in trying to make the world a better place, engaged in big and small ways in helping others. (2) Actions and attitudes which reflect pride in being part of a community; showing good citizenship means being law-abiding and involved in service to school, community and country.

Ideas to Do as a Family:

- Working on a Current Issue: Find a current issue or problem you are personally concerned about. Discuss this concern with your family and together come up with actions you can do as a family to address the issue.
- Family of Good Citizens: Good citizenship involves doing things that show care for your community. Have all family members discuss what they do or have done in the past to be good citizens.
- Choosing an Issue: As a family, discuss various issues or needs that family members are concerned about. Make a list of the issues and some possible actions your family could take to try to help solve the problem.
 - As a family, decide on one issue and start working on it, for example: Adopt a section of a highway to clean up litter.
