

Dear Students, Families, and School Community,

Welcome to a new and exciting school year! I hope each of you had a restful and enjoyable summer, filled with great memories and a well-deserved time with family and friends. As we step into this academic year, I am filled with pride and enthusiasm for what's ahead. Together, we will continue to build a strong, supportive, and enriching environment where every student can thrive.

This year, we're proud to launch several new initiatives designed to expand opportunities for our students both inside and outside the classroom:

Dual Enrollment with Florida Southwestern State College

We are thrilled to introduce our new dual enrollment partnership with FSW. This program enables eligible high school students to take college-level courses, earning both high school and college credit, and provides them with a head start on their future academic and career goals.

Expanding Our Athletic Program

Our athletics program is growing stronger than ever! Whether students are returning athletes or new to team sports, there are exciting opportunities to develop skills, build teamwork, and compete with pride. Stay tuned for updates on team tryouts and game schedules.

New Honors Classes

We're adding more advanced coursework this year through our expanded Honors offerings. These classes are designed to challenge students academically, promote critical thinking, and prepare them for post-secondary success.

Introducing Archery

We are especially excited to offer **archery** as a part of our 21st Century After School Program. This unique sport emphasizes focus, discipline, and coordination, and we look forward to seeing students explore and excel in this new area.

We remain committed to fostering a school culture built on respect, responsibility, and academic excellence. Our staff is eager to welcome students back and guide them through another year of growth and achievement.

Let's make this school year one of progress, purpose, and pride. I encourage you to stay connected with us through our website, call outs, flyers, and upcoming family engagement events.

Here's to a great year ahead!
