

Ahfachkee School Character Education Monthly Newsletter

December 2024

Greetings Parents and Guardians:

It is time again for our monthly Character Education Program Student of the Month. Each month this school year through May 2025, all of our teachers will be identifying only one of their students who has best demonstrated the trait for that month. These students will receive a signed certificate from Mr. Baer our Principal and be recognized on our WABC news show.

Kindness is the character trait for the month of December. A caring person is considerate, kind, compassionate and generous. A caring person takes into account how decisions, words and actions are likely to affect other people. Remind your child that they have the power to brighten another person's day through a simple act of kindness.

Ideas to Do As a Family:

- As a family, discuss what you could do to show that you care about the environment, such as cleaning up a street, picking up trash, or starting a recycling program.
- As a family, identify things that you can do together to make a difference in someone else's life.
- Catch your child being kind and acknowledge how important that behavior is. This is a simple opportunity to reinforce how important being kind is in your family.
- Watch a television program together and talk about the various ways in which the characters acted uncaring or caring towards one another.
- Remember that the best teaching tool is to always model the behavior you want your child to learn. You are a powerful role model for your child. If you are kind and helpful to other people that is what your child will learn from you.

Character Check:

- In what ways do you feel you are a good friend to others?
- What are three ways you can become a better person to the people in your life?
- Do you show compassion and concern for others?

Dinner Discussion Ideas for Meals Together:

Once a week at a family meal, have family members talk about times they experienced their friends demonstrate kindness, generosity and/or caring.
