

Ahfachkee School Character Education Monthly Newsletter

May 2024

Greetings Parents and Guardians:

It is time again for our monthly Character Education Program Student of the Month. This is our final character trait highlight and recognition of the school year. All of our teachers will be identifying only one of their students who has best demonstrated the trait for this month. These students will be recognized with a certificate from Mr. Baer, our Principal at the final Honor Roll Ceremony this year.

Perseverance is the character trait for the month of May. Perseverance is defined as persistence in doing something despite difficulty or delay in achieving success. Also demonstrating tenacity, determination or resolve in accomplishing a task.

Personal Thoughts for Parents:

- In what ways do I show perseverance?
- In what areas of my life is it hard for me to be persistent? Why?

Modeling Moments:

DISCUSS with your child the areas of your life where you show perseverance and determination.

ADMIT to your child when you do not show persistence.

CHALLENGE yourself and your child to persevere more in areas where it may be hard.

Dinner/Car Discussions:

- Have each family member explain ways that he/she has shown perseverance that day.
- Have family members share about times when they did not show perseverance.
- Have family members explain some of the benefits of showing perseverance.
