USA TEST PREP "How-To" Access Guide

IMPORTANT: Have a copy of the student's e-learning schedule ready. This e-learning schedule will show you the URL, the username and password for websites being used in middle and high school.

https://www.usatestprep.com/member-login

Tip: If you are logging into USA Test Prep on a new device, you'll need to list the school ID.

It is ahfachkee48 and the field for it is just above the student login area.

Step 1: Enter student username and password

Once in the program, students should look to the bottom of their landing page to see what assignments on which to work. The course names are listed to the right of the assignment.

Step 2: Click on the "Messages" tab to see any messages from your teacher(s).

	Step 3: Click on the "Begin" button to start working.
