

WALCH “How-To” Access Guide

IMPORTANT: Have a copy of the student’s e-learning schedule ready. This e-learning schedule will show you the URL, the username and password for websites being used in middle and high school.

<https://app.curriculumengine.com/login>

This website holds the Math textbook used by our high school Financial Algebra students.

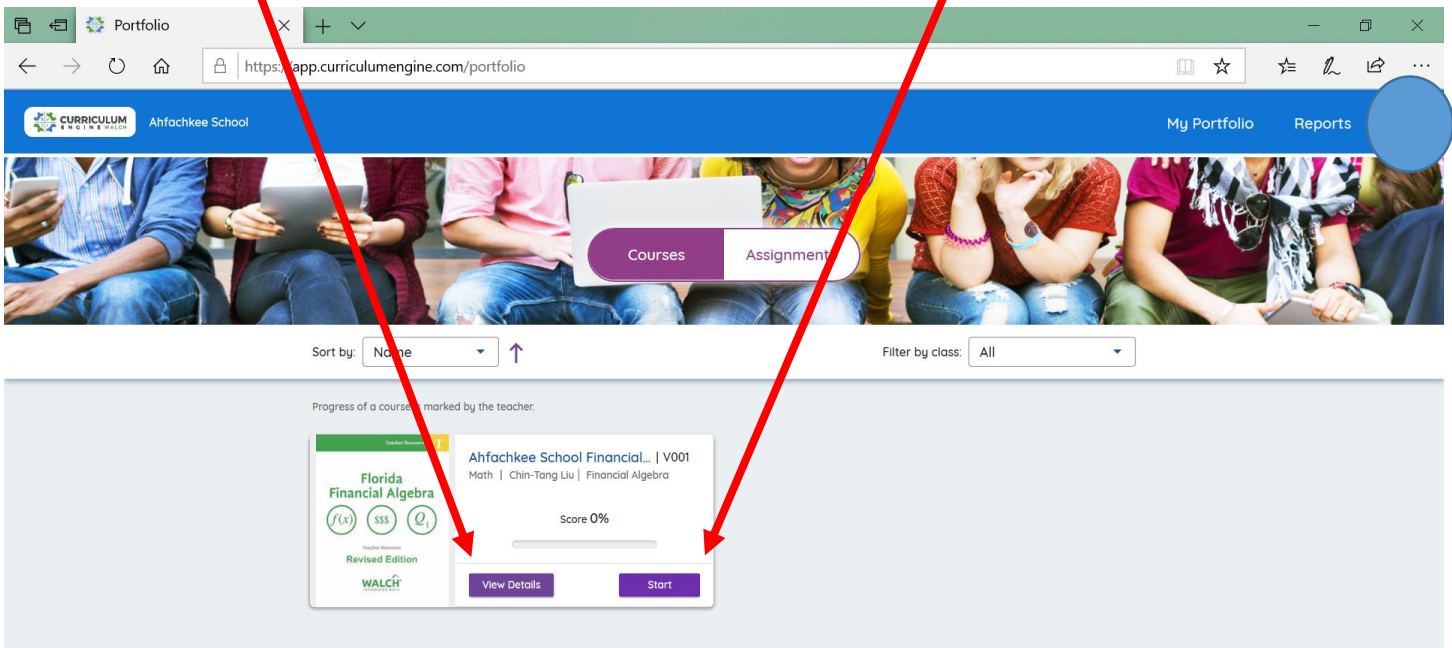

Step 1: Enter the student’s login information.

The screenshot shows a web browser window with the address bar displaying <https://app.curriculumengine.com/login>. The page features a blue header with the Curriculum Engine logo. The main content area contains a white box titled "Curriculum Engine - Sign In". Inside this box, there are two input fields: "Username" and "Password". Below these fields are two checkboxes: "Remember me" (unchecked) and "Forgot Password?". A purple "Log In" button is positioned below the checkboxes. Underneath the "Log In" button is the text "OR" and a "Log in with Clever" button with a blue "C" icon.

Step 2: To view all units: Click on the “View Details” button.

Step 3: To begin assignment: Click on the “Start” button.

The screenshot shows a web browser window with the address bar displaying <https://app.curriculumengine.com/portfolio>. The page features a blue header with the Curriculum Engine logo and the text "Ahfachkee School". On the right side of the header, there are links for "My Portfolio" and "Reports". Below the header is a banner image of students sitting together. In the center of the banner, there are two buttons: "Courses" and "Assignment". Below the banner, there are two dropdown menus: "Sort by: None" and "Filter by class: All". The main content area displays a progress bar for a course, with the text "Progress of a course marked by the teacher." Below the progress bar, there is a card for "Ahfachkee School Financial... | V001" with the subtitle "Math | Chin-Tang Liu | Financial Algebra". The card shows a "Score 0%" and a progress bar. At the bottom of the card, there are two buttons: "View Details" and "Start". Two red arrows point from the text above to the "View Details" and "Start" buttons respectively.
